Welcome to Wheel House, You can have it all! Strategically situated in a tranquil and private environment, this exquisitely renovated family residence is adjacent to the picturesque Titicus Reservoir, offering stunning views throughout the year. Additionally, it is conveniently located a mere 5m drive from the Purdy's Metro-North train station, facilitating effortless commuting to Grand Central Terminal. This distinguished home exemplifies functional, comfortable, and timeless elegance. With a harmonious integration of traditional, contemporary, and modern design elements, every aspect of this residence exudes casual luxury. The open floorplan is designed to foster a seamless flow between light-infused areas and scenic garden views, creating an inviting space for relaxation and unwinding. Upon entering through the grand foyer, one is welcomed by a remarkable hand-carved staircase that is certain to impress visitors. This property has been meticulously reimaged by Mar Jennings, a leading authority in lifestyle design, featuring exquisite enhancements such as newly refinished flooring, fresh designer paint, and striking lighting fixtures, all expertly staged by GSD Home Staging, providing a glimpse into a potentially exquisite future. The first level includes a splendid junior suite that features a full bathroom, complemented by garden vistas and a cozy office/living area. The gourmet kitchen, truly a chef's paradise, is outfitted with premier cabinetry and appliances, including

two Sub Zero refrigerator/freezers, Sub Zero refrigerator drawers, a Wolf wine chiller, a Wolf steam oven, an oven, a Bosch dishwasher, and heated flooring. The expansive central island serves as an ideal space for meal preparation, casual breakfasts, or quick snacks, all while offering unobstructed views of the garden deck. For those who wish to entertain, the property features a resort-style granite, free-form saltwater heated pool, added in 2011, which serves as an exceptional gathering location. Occupants can have peace of mind knowing the property includes a 400-amp electrical service alongside a robust 30KW Kohler whole-house standby generator, equipped to handle any challenges posed by adverse weather conditions. Automobile collectors and those in need of ample storage will appreciate Garage One, which includes three bays, side lift garage openers, and a legally designated accessory apartment with its own private driveway. An additional space, Garage Two, provides four bays, side lift garage openers, heated flooring, climate control, an attic lift, separate 200-amp electrical service, and a Tesla charging station. Wheel House transcends a mere residence; it is a legacy poised for appreciation, featuring inviting communal spaces designed for the creation of lasting memories. The property embodies modern elegance and meticulous maintenance, a hallmark of excellence that has defined it for decades. It is time to embrace the opportunity of acquiring your dream home. First Open House 1/19 from 1-3pm
