True privacy has become increasingly elusive, but here at this peerless 3.25-acre setting, just an hour from Manhattan, you will be delighted with the peace and serenity awaiting you. The exquisite brick Georgian-style Manor, set at the end of a long gated drive, enjoys breathtaking surroundings with velvety lawns, beautiful specimen trees, and lush plantings that border pristine woodland. Opportunities to revel in the setting's natural beauty abound with a new bluestone terrace, a showcase pool, a pool house, and a koi pond that together offer an idyllic backdrop to celebrate life's joyous moments.

The residence is equally striking, presenting an impeccable environment for contemporary living with its classical silhouette, generous scale, and artisan finishes. The flawless interiors are designed for today's lifestyle and showcase many impressive features, including 3 wood-burning fireplaces.

There's a bedroom off the kitchen, and on the second floor, you'll find 5 spacious bedrooms, including a lavish primary wing. There's also a versatile bonus room/studio adaptable for a variety of uses. The delights continue on the lower level, a world of its own with a climate-controlled 1000-bottle wine room and vast recreation space, including a billiards area, game room and lounge, and a mirrored gym.
