N/A, Scarsdale, NY

Nestled on a pristine half-acre directly bordering Winged Foot Country Club and on a tranquil dead-end street, this exceptional modern colonial is a private sanctuary featuring 6 bedrooms and 5.5 baths. Set back from the street and bordered by woods behind, you will appreciate the quiet calm of the home — yet it is also perfect for entertaining in all seasons! The heart of the home is its spectacular eat-in chef's kitchen anchored by an expansive 10-foot center island with a new stone countertop. Designed for seamless cooking and entertaining, it features top-tier appliances, including a Wolf 6-burner gas stove, a double oven range with a convenient pot filler, dual Miele dishwashers, and an oversized Sub-Zero refrigerator paired with a separate Sub-Zero freezer. An additional Wolf wall oven, a warming drawer, dual sinks, and a built-in microwave complete this space. A newly renovated screened-in porch off the kitchen is perfect for al fresco dining. An open concept flow, the kitchen adjoins a generously sized family room with wood-burning fireplace, a bar area with a wine fridge, and French doors that lead to a slate patio and a large level backyard with potential room for a pool. The main floor also features an entry foyer, formal dining room, music room/office, mudroom, and powder room. A few steps up reveal an oversized living room with a vaulted ceiling featuring a seating area with a wood-burning fireplace and a versatile billiards/recreation space. The adjacent home

office is the envy of any executive, complete with mahogany built-ins, double doors for privacy, picture windows overlooking the backyard. The second floor presents five bedrooms, highlighted by a private luxurious primary suite, where floor-to-ceiling windows flood the space with natural light. The 11-ft. cathedral ceiling, built-ins cabinets and dual walk-in closets enhance the grandeur. There is also a spa-like updated ensuite bath with dual separate vanities, radiant-heated floors, a separate rain shower, a separate WC, and a soaking tub. The four additional spacious bedrooms all feature custom closets, with two offering renovated ensuite baths and one bonus walk-in closet. A hall bath and a spacious laundry room with ample storage complete this level. Additional storage solutions include the attic space with a cedar closet. The finished walk-out lower level features a seating/play area with sliding glass doors to the patio, a private bedroom with ensuite bath perfect for an au pair, and a light-filled gym. This home has many additional features, including a whole-house generator, a wired sound system, an alarm system, and an electric pet fence.
