Residential on 0.92 Acres

N/A, Larchmont, NY

Just a wedge shot away from the prestigious Winged Foot Golf Club, the architectural story of 858 Fenimore Road unfolds. This stunning contemporary home could be ripped out of a page in Arch Di, with old growth redwood on the exterior, high ceilings, skylights and glass windows lining the entire interior. The natural light pours in as you walk through the home. There are 5 bedrooms, 5 full bathrooms and 2 half bathrooms, and a gym, spanning an impressive 5,084 square feet of living space just on the first and second floors. The home is situated on a rare, picturesque - century-old oak trees and stunning rock outcroppings - private acre of land with a pool and outdoor fireplace to gather around. The residence has been featured in renowned magazines, offering a glimpse into its sophisticated allure. The interiors blend seamlessly with the serene, bucolic surroundings, creating the perfect atmosphere for both entertaining and daily living.

For each of two additions, the original architect was even flown in from Europe to ensure that the home's architectural integrity would remain uncompromised- a testament to its exceptional craftsmanship.

The lower level is made to entertain. With a large dining room and even larger living room, custom built-ins, a granite and mirrored wet bar with mini beverage refrigerator. You could host a sit-down dinner for 30 people comfortably. The recently updated kitchen has

unique whitewashed hardwood teak cabinets and state-of-the-art appliances. A large cabana area has a full bathroom with easy access to the pool outside. The open floor plan flows seamlessly through all the living spaces and encompasses two marble fireplaces and a two-story granite fireplace in the dramatic double-high family room.

On the second floor, the primary bedroom is truly a spacious retreat with a marble fireplace, sitting area, high ceiling, and a walk-in closet with additional closets before you step into the pristine bath that rivals the most luxurious spas: marble heated floor, slab marble steam shower with oversized shower head, rain head and body jets, two-person jacuzzi bath, towel heater, double sink vanity area, and sound system with speakers above the sinks and inside the shower. Premium blue celeste and gleaming white thassos marble throughout. Look outside and peer down at the beautiful pool and fireplace sitting area. There are 2 ensuite bedrooms, a full hallway bath and two additional bedrooms, and a gym/office.

The basement offers additional square footage for play and relaxation with ample storage area in the back.

The backyard is a private oasis with extensive gardens, specimen trees and shrubs, and a lush green yard enhanced by beautifully crafted stone patios and walls and a fireplace with custom stainless steel Santa Maria grill. The grotto style, free-form pool, with the fence hidden far away in the surrounding landscaping, was designed to include an 18-yard lap area. The pool is an experience with a waterfall built on the natural stone outcropping, 3 underwater and 2 overhead speakers, sculpted lounge bench inside the pool, and a smooth, polished mini-pebble finish with mother-of-pearl highlights, chosen

to complement the stone surroundings. Take a dive off the big rock and rinse off in the outdoor shower. The pool area and backyard can be lit for nighttime entertaining. This home is more than just a residence; it is a sanctuary carefully designed and added to over the years, always with great attention to quality and detail, and lovingly maintained by its original owners, for exceptional living with the perfect blend of tranquility and sophistication.

A quick 30-minute drive to Manhattan, close access to i95 and the Hutch. Murray Ave School. Right down the road from the 2.5-mile Leatherstocking hiking trail. A 4-minute drive to the Mamaroneck train station, 2 miles from Larchmont Village. The dining/entertainment choices are endless, hit up the Emelin Theater for a show only a mile away.
