Sweet home with many updates and renovations. Conveniently located close to schools, shops, restaurants and train station. The classic Craftsman architectural elements are immediately visible; a large stone chimney, and stone pillars flank the stairs. The typical craftsman style covered entry is sizable and perfect coverage for hot or stormy days. The sunny living room includes hard wood floors, multiple windows and an impressive stone, wood burning, fireplace. French doors separate the living room from the expansive and renovated eat-in kitchen. The kitchen includes new shaker style cabinetry, appliances, backsplash and quartz countertops as well, and has access to the deck for easy outdoor dining. The full bathroom, is also entirely renovated with beautiful and timeless tile. Rounding out the first floor, are 2 hall bedrooms and a primary bedroom. The lower level is newly finished with a large recreation space, utilities, laundry, storage, mudroom entrance from the driveway and access to a large unfinished storage area.
