Perched above the lovely rooftops of downtown Bronxville, this super elegant 2 bedroom 1.1 bath at the premier coop known as "the Towers" enjoys light from 3 sunny exposures and one of the best floor plans for comfort and entertaining. Some of the stunning architectural features include a generous gallery wall in the wide entry foyer which accesses both the living room and the dining room, a charming wood burning fireplace with original millwork in the light filled living room, gracious archways and soaring nine foot ceilings. Best of all, the large custom designed millwork in the formal dining room includes endless built in bookshelves, bespoke china and bar cabinetry, and a breathtakingly beautiful custom illuminated ceiling with replicated Mantegna artwork... reminiscent of the Sistine chapel! The cooks kitchen features cherry cabinets and stainless steel appliances and the two baths have lovely Waterworks fixtures.
