3 Bedroom, 1.00 Bathroom, 1,526 sqft

Residential on 0.14 Acres

N/A, Ossining, NY

Choose your Hudson view from your front porch or second floor enclosed balcony in this superb village stunner. This 3 bedroom home has preserved its vintage charm, thanks to the owner's care, with an attractive and artistic color scheme, hardwood floors, sconce lights, and artisan early 20th century millwork. The kitchen has a breakfast bar, and a pass through to the formal dining room, featuring a decorative rose ceiling medallion to dine in style.. You'll find lots of useful bonus space in the walk up attic, great for an office, den, play area, or just storage with- yes- an even more dramatic view of the village and Hudson. Even before you walk in you'll adore the spacious rocking chair porch, and once inside you'll get used to all that natural light in the living room right away. The main bedroom is so spacious it runs the length of the house, and the two other bedrooms both have doors leading to the second floor enclosed terrace/balcony where the Hudson river views hit you between the eyes. The gently sloped rear yard has ample room for recreation, outdoor relaxation, and lots of opportunity to garden with the existing landscaping. The full basement has a walkout to storage beneath the front porch. There is off street parking for two in the driveway, and the location is convenient to many village offerings, with shops, schools, downtown and local fare all within a few blocks. Truly a dreamy lifestyle at this price point!
