Deal fell through 6/2. Charming Cape with Endless Character & Modern Upgrades. Nestled at the end of a quiet cul-de-sac, this beautifully maintained cape-style home is brimming with character and thoughtfully designed spaces. Gleaming hardwood floors flow throughout, complementing a classic formal living room and an elegant dining room featuring rich Brazilian cherry flooring. The updated kitchen is a chef's delight, showcasing solid maple cabinetry, marble backsplash, stainless steel appliances—including a Bosch dishwasher—and a seamless layout for everyday ease and entertaining. Just off the kitchen, the inviting family room leads through French doors to a sun-drenched enclosed porch, where an interior Endless Pool offers year-round relaxation and wellness. Upstairs, the luxurious primary suite is a true retreat, highlighted by a coffered ceiling, sitting area, holograph fireplace, and a spa-like en-suite bath with travertine tile. Two additional bedrooms and a spacious bonus room with a cozy wood-burning fireplace provide flexibility for guests, home office, or hobby space. Enjoy outdoor living on the TimberTech deck and an electric awning, overlooking a serene, private backyard with a water feature. The home's exterior features durable HardieBoard siding and architectural shingles with solar panels (paid off) added in 2021 for energy efficiency.
