Settle into this Beacon Beauty! This 3BR, 3BA Folk Victorian / Farmhouse with a wonderful wrap-around porch features an open floor plan with high beamed ceilings that creates a loft-like vibe. The living room, dining room, and kitchen are in one expansive space, with hardwood floors. On both sides of the home are sunrooms, one with a mudroom entry and a one that flows out to the wrap-around porch. Sunrooms can serve as a home office, music room, laundry area, or just a space for lounging. A half-bath completes the first-floor level. Upstairs is a spacious landing that says, "Ahh, breathe!" Three large bedrooms provide a peaceful retreat with mountain views, each with newer casement windows. A well-renovated and roomy primary bath will delight with a soaking tub and separate shower, and an additional original bath is located at the end of the hall. Finish the walk-up attic for additional space! The oversized garage, equipped with its own electric panel, is currently used as an artist's studio. Plenty of space to create or park your car or motorcycle. This wonderful NOMA* property boasts a vast array of mature tree specimens such as apple, flowering cherry, elderberry, white pine, Japanese maple, as well as a big side yard, gorgeous mountain views, and is situated along the soon-to-come Rail Trail. Located in Beacon with Fishkill taxes, offering the best of both worlds. Come see!
