Bedford Lake Association, Bedford Corners,
NY

French Country in Prime Bedford Lake Association with Deeded Lake Rights. Welcome to this spectacular custom-built home in the coveted Bedford Lake Association, offering deeded lake rights and access to the Bedford Riding Trails. Set on four beautifully landscaped acres, this meticulously crafted stucco and cedar roofed Manor House blends timeless elegance with modern luxury across every detail. Many updates and improvements include renovated bathrooms, kitchen, fresh paint, new lighting and carpeting, full house sound system, security system, new well and water softening system, full house generator and much, much more.

From the moment you enter the slate-floored foyer with skylit soaring ceilings and a dramatic staircase with wrought iron railings, the home's grand scale and architectural sophistication are immediately apparent. Wide board floors, graceful arches, extensive millwork, built-ins, and classic moldings define the interior character.

The sun-drenched living room boasts a vaulted ceiling, exposed beams, wood-burning fireplace, and French doors exiting out to large and lovely covered front porch. A formal dining room with a coffered ceiling and fireplace sets the stage for memorable entertaining. The heart of the home is the chef's kitchen, seamlessly open to the family room, featuring a massive center island with bar seating, twin

Sub-Zero fridge/freezer doors, professional-grade appliances including a hooded range with pot filler, convection oven, drawer microwave, deep farmhouse sink, and a separate vegetable sink. A well-appointed butler's pantry with wet bar, additional fridge, and ice maker makes hosting a breeze. Off the main level is a richly paneled library lounge leading to a skylit executive office loft or flexible workspace. A first-floor guest or primary suite offers complete privacy, a serene retreat with French doors to the covered front porch. En suite luxurious Jerusalem Gold limestone bath.

Upstairs, the true primary suite stuns with tray ceiling, elaborate millwork, and an extraordinary walk-in closet with custom built-ins. The spa-like bath includes double vanities, soaking tub, and separate shower. Three additional bedrooms, including one en-suite and two sharing a hall bath, complete the upper level, along with a large linen closet and second laundry room.

The expansive walk-out lower level features a family/media room with fireplace, game room/gym, au pair suite with full bath, mudroom, and additional laundry. French doors lead out to expansive level lawn. Lower level access available from the main entrance hall stairs or via secondary stairs from the kitchen/family room area direct to mud room for optimal convenience upon exiting the two car attached garage complete with new Tesla charger hook up.

Outdoor living is equally impressive, with expansive covered front porch with many options for seating areas, the backyard outdoor deck is as sunny or as shady as you prefer with new electric awning. A few steps down enjoy the newly completed bluestone patio, new pickleball court, a permitted pool site, and private access to a sandy lake beach with a newly installed playground—ideal for kayaking, fishing, swimming, summer

relaxation, and winter ice skating.
Just minutes from town, train, schools, shops,
and restaurants, this is a rare opportunity to
enjoy refined country living with every modern
amenity.
