4 Bedroom, 3.00 Bathroom, 2,891 sqft

Residential on 0.42 Acres

N/A, Newburgh, NY

An impressively large house on a lovely tree-lined street that everyone notices - the one that feels more spacious, a little more grand, and a lot more like home.

Set on a beautifully landscaped lot, this sprawling gambrel colonial has room to gather or spread out and certainly with room to grow into. Inside, the layout just works. The kitchen is updated with high-end fixtures - stovetop pot filler, double ovens and stainless steel appliances - with space to eat in and a large walk-in pantry. A formal dining room adds hosting flexibility, and the living room is the kind of place where people naturally gather. The cozy family room - with its wood-burning fireplace - makes it easy to imagine holidays, fall weekends and snow days in.

Upstairs, the notably HUGE primary suite with en suite bath and two walk-in closets allows plenty of space to reimagine what a primary bedroom means to you. There are three more generously sized bedrooms (two king, one queen) down the hall and three of the four have walk-in closets! Finishing the upstairs floor plan, an updated bathroom with soaking tub and glass stand-up shower with a double vanity.

The ceilings are high throughout and storage is plentiful. A two (plus) car garage and a shed add space for tools and yard maintenance equipment. Out back, youâ€™ll find a private,

level landscaped yard with a patio thatâ€™s peaceful without feeling fussy - perfect for morning coffee or evening hangs.

The home is ideal for commuters minutes to the NYS Thruway and I-84 while also equally accessible to shops, Adams Fairacre Farms & Nursery (5 mins) and the lively Newburgh Waterfront. A very convenient location for daily errands and workers with a commute alike.
