Commercial Sale on 0.13 Acres

N/A, Newburgh, NY

Here it is! A remarkable opportunity to own over 6,000 sq feet of commercial space in the City of Newburgh, directly adjacent to the cozy Washington Heights neighborhood.

Downstairs is divided into a huge working studio space, an office, and storage/ work cubicles. Three phase electric, a professional spraybooth, extra wide load-out doors, and a rolltop garage door make this great for those who need both space and commercial infrastructure. Upstairs is divided into one large working space, plus a smaller work studio with a slop sink and WC. The second floor has a cool walk-out onto the the roof, and the first floor has a side door to a small garden space. The current owners have taken great care of this building and are hoping to pass the torch to another great creative endeavor! This property is located in a "Neighborhood Commercial Overlay" of zoning district, which supports many different development options. Exciting! Current owner will to "lease back" space if buyer desires.
