4 Bedroom, 2.00 Bathroom, 2,139 sqft

Residential on 3.30 Acres

N/A, Newburgh, NY

This is a very desirable listing, three units total on one 3.3 acre parcel. There is a four bedroom Cape Cod plus two one-bedroom units in a separate building and 3 garages. Lovely, wooded, level setting with mature landscaping, this site has room for an additional storage building or is a candidate for a 2 lot subdivision. Very well located near Orange Lake, one mile from I-84 and the NYS Thruway and 10 minutes from Stewart Airport. The Cape has an enormous front room which is open to the kitchen and main entry. There is also a formal living room with fireplace, office, and two bedrooms with a full bath, which complete the first floor. The full cellar is partially finished and has a exit to grade. The house has central air, forced warm-air oil heat, a well, septic, and a lovely garden pavilion. The long accessory building has three residential garages plus 2 one-bedroom apartments. The month-to-month rentals are \$700 and \$800/month. Both apartments have living areas that open to the kitchen and a private bedroom and full bath. The apartments have one hot water heater and boiler, one well and septic which is not shared with the main house but separate electrical meters for each unit. This is a tremendous property, new to the market after being a family compound for over 56 years.

The property is level and has so many possibilities. Additional Information:
