The Woods, Ossining, NY

Stunning townhouse at The Woods; one of Ossining's most popular communities. This condo has it all; space, light and recent, high-end updates. Plus, it lives like a three bedroom unit because it has an enclosed second floor loft. The open concept first floor has a beautiful kitchen that has been totally reconfigured to give you the maximum cabinet and counter space while still providing you with an open view of the living room and formal dining room. A couple of added bonus: this is one of the few kitchens at The Woods with a gas range and it also has a new pantry. The whole first floor has lots of sunlight from floor to ceiling windows and a sliding glass door in the dining room that leads to a patio. The patio, with privacy walls on both sides overlooks a garden that you can cultivate to your heart's content. Some of the gardens at The Woods are just spectacular. Completing the first floor are an updated powder room and an attached garage which even has a universal EV charging station. Leading upstairs is a custom banister which adds to the character of the home. The master bedroom suite has wonderful, private views of greenery. There's a dressing area with His and Hers closets. The totally reconfigured master bathroom is a real show-stopper. It has dual sinks, a walk-in linen closet and an amazing shower with a waterfall tile design under a new skylight. The second bedroom also has its own beautiful ensuite bathroom. The enclosed loft can function as a third bedroom, home office,

nursery or TV room. Be sure to check out the balcony with its very special private view. The second floor laundry is a convenience that you are sure to appreciate. The Woods has a pool and a combination tennis and paddle ball court. The Woods has new vinyl siding and new roofs and all the assessments for this unit have been paid off. Taxes with the STAR deduction of \$1,659 comes to \$5,247. It's a quick drive to the Croton Station and the train takes you to NYC in as little a 45 minutes. We have an accepted offer but you can still schedule a showing and make a back up offer.
