Residential on 1.67 Acres

N/A, South Salem, NY

Traditional charm meets 21st century amenities in this gorgeous colonial. Situated on a beautifully landscaped 1.7 acre parcel, this three bedroom, three bath home lives so much larger, with multiple spaces suitable for working, working out or just relaxing. The living room is grounded by a large fieldstone fireplace and the family room is warmed by a Wittus woodstove on those chilly winter evenings. The kitchen boasts custom cabinetry, Viking six-burner stove and refrigerator, and Bosch dishwasher. From the kitchen, french doors lead to the pergola-shaded patio and outdoor kitchen with its fieldstone fireplace and wood-fired pizza oven, all overlooking the lush fenced yard and outdoor firepit. Upstairs features a spacious primary bedroom with its fabulous ensuite bath, two additional bedrooms and a beautiful hall bath. The home has a geothermal heating and cooling system, installed in 2020, which keeps utility costs low. In addition, the home has a whole-house backup generator.
